

THE 24TH ANNUAL SHOW + SALE  
**DECEMBER 1 - 3, 2023**

THE NORTH DAKOTA WINTER SHOW BUILDING // VALLEY CITY, ND

# WELCOME

TO THE 24TH ANNUAL NORTH STAR CLASSIC SHOW + SALE

## HELLO CATTLEMEN & WOMEN!

Welcome back to the North Star Classic for our 24th year here at the ND Winter Show Event Center. We are looking forward to a phenomenal year. I am so proud and thrilled to have you and the cattle here in the Winter Show barns!

I am in my 3rd season here at the ND Winter Show Event Center and am happy to report we are doing pretty great. Our 86th Annual Winter Show this past March was a rough one, due to Mother Nature and a wintry mess wreaking havoc the week of Winter Show. However, we pushed through and made the best of it. We had happy fair goers with great events filling the week, as always. Just not as many people were able to make it out for the show. We are hopeful that Winter Show 2024 will find the weather a bit more cooperative! The 2024 North Dakota Winter Show will be held March 6th-10th, with the concert on March 2nd.

As we head into North Star Classic this year, Kelcey Hoffmann & Jaci Cargo are back with us as the Event Coordinators. As always, these ladies, their families and crew of workers, have put in tons of time and effort planning this year's Classic for you all to enjoy. I would like to personally thank the businesses, cattlemen & ranches that sponsored, advertised, and donated. There are some great packages available to purchase during the Cattleman's Ball & Sale, get your bidding hands ready! This event could not happen without your support.

This will be a great weekend for our cattle and ag industry. I hope you all enjoy seeing old & new friends, do some shopping with our vendors and enjoy the various breed shows & sales. I hope you enjoy the Classic, making new memories and reliving past ones! We are so happy to have the barn filled with cattle and to have you all participating!

**Thanks again & see you soon.**

**Brandee D. Moore**

General Manager, ND Winter Show

## GREETINGS FELLOW ANIMAL AGRICULTURE ENTHUSIASTS!

## WITH GREAT EXCITEMENT, WE INVITE YOU TO THE 24TH ANNUAL NORTH STAR CLASSIC!

Cattle from across North Dakota and surrounding states will start being stalled Wednesday afternoon in preparation for the open show to begin Friday morning. Friday evening we welcome you to attend the Cattlemen's Ball & Sale in the South Exhibit Building. Join us for a Prime Rib Dinner as we honor the 2023 Livestock Honoree, Joana Friesz and host the Cattlemen's Ball Sale. We will cap off the evening with raffle drawings, including \$6,250.00 in cash prizes!

The Cattlemen's Ball Sale is once again filled with unique opportunities to own highly sought after genetic embryos, flushing opportunities, and memory making packages. We're confident we've got something for everyone! On behalf of the livestock committee and all of us at the North Star Classic we would like to thank the cattle operations that have put forth their very best for the Cattlemen's Ball Sale; Baumgarten Cattle Company, Spickler Ranch North, Twedt Red Angus, Hawkins Cattle, and Quandt Cattle Co.

Saturday at the North Star Classic is a packed day with a youth Fitting Clinic, Fairest of Them All Jackpot Show, and Showmanship. As well as the Open Pen Show and the North Star Classic All Breeds Cattle Sale. A sale that has been known to bring in many great youth projects as well as bred heifers that will become an avid part of your herd.

Sunday we hone in on the youth side of things as we have the Hubbard Feeds/Showrite Junior Breeding Heifer Show and the AgCountry Prospect Show. New this year, we are excited to offer breed steer classes in the AgCountry Prospect Show!

From the exhibitors to the crews behind the scenes, we thank you for the support in the first 23 years of the North Star Classic and look forward to hosting you for year 24.

# YOUR BEST SHOT AT HEALTHY CALVING

Proven to support cow-to-calf trace mineral transfer<sup>1</sup>

Multimin® 90 is a one-of-a-kind trace mineral injection that provides zinc, copper, manganese and selenium. When administered in the third trimester, it's research-proven to replenish the cow's trace mineral status,<sup>1</sup> which supports the vital transfer of trace minerals to the fetus<sup>2</sup> and improves colostrum quality when used at the same time as a scours vaccine.<sup>3</sup>

KEEP OUT OF REACH OF CHILDREN

## MULTIMIN® 90

Sterile selenium, manganese, copper and zinc injection for cattle

CAUTION: FEDERAL LAW RESTRICTS THIS DRUG TO USE BY OR ON THE ORDER OF A LICENSED VETERINARIAN.

**ACTIVE SUBSTANCES PER ML:**

Zinc.....60 mg/mL  
 Manganese.....10 mg/mL  
 Selenium.....5 mg/mL  
 Copper.....15 mg/mL

**OTHER SUBSTANCES:**

Benzyl Alcohol 1% v/v (as preservative)

**DOSAGE RECOMMENDATIONS:**

CALVES: Up to 1 year.....1 mL/per 100 lbs. bodyweight  
 CATTLE: From 1-2 years.....1 mL/per 150 lbs. bodyweight  
 CATTLE: Over 2 years.....1 mL/per 200 lbs. bodyweight

**PRECAUTIONS:**

Selenium and copper are toxic if administered in excess.

Always follow recommended label dose. Do not overdose.

It is recommended that accurate body weight is determined prior to treatment.

Do not use concurrently with other injectable selenium and copper products.

Do not use concurrently with selenium or copper boluses.

Do not use in emaciated cattle with a BCS of 1 in dairy or 1-3 in beef.

Consult your veterinarian.

**CAUTION:**

Slight local reaction may occur for about 30 seconds after injection. A slight swelling may be observed at injection site for a few days after administration. Use standard aseptic procedures during administration of injections to reduce the risk of injection site abscesses or lesions.

**WITHDRAWAL PERIOD:**

Meat 14 days. Milk zero withdrawal.

**DIRECTIONS:**

This product is only for use in cattle. Multimin® 90 is to be given subcutaneously (under the skin) ONLY. It is recommended to administer the product in accordance with Beef Quality Assurance (BQA) guidelines. Minimum distance between injection sites for the Multimin® 90 product and other injection sites should be at least 4 inches. Inject under the loose skin of the middle of the side of the neck. Max volume per injection site is 7 mL.

Subcutaneous injection in middle of side of neck.

Store Between 15°C and 30°C (59°F and 86°F).

SUPPLEMENTATION PROGRAM			
BULLS	3 times per year		
BEEF COWS	4 weeks before breeding 4 weeks before calving		
DAIRY COWS	4 weeks before calving 4 weeks before insemination at dry-off		
CALVES	at birth at 3 months and/or weaning		
HEIFERS	every 3 months - especially 4 weeks before breeding		
(program gives planned dates that can be varied to suit management programs)

# JOSHUA BERG

Joshua Berg, is a corn and soybean farmer from Osage, Iowa. He is also a seed dealer for Beck's Hybrids. Josh is a third generation purebred Shorthorn breeder. Berg's Shorthorns was established in 1956 by his grandfather Orville Berg. Josh is a graduate of Iowa State University with a degree in Agriculture Studies with a minor in Agronomy and an emphasis in marketing. He is also an alumni of the Alpha Gamma Rho fraternity. Josh has been married to his wife Ashley for 19 years and they have four daughters, Madeline, Kaitlyn, Lauren and Autumn that are all involved with raising and showing of Shorthorn cattle.

Lee and Dawn have been in the Angus business for over 40 years and run 150 cows. They have exported genetics to 27 countries. For over 30 years, they have used an extensive embryo transplant program in their herd. They have a real passion for showing cattle and have been fortunate to produce many National Champions in Canada and around the world. Their sole livelihood comes from their cattle. They have three kids, Ty (Ariel), Dakota (Bobby) & Jaelayne (Loren) as well as a handful of beautiful grandchildren.

Their judging resume includes: World Congresses for Pinzgauer, Salers and Gelbvieh; Japan National Angus & Polled Hereford shows, Australia National Angus Show, Sydney (Australia) Royal Easter Show, Colombian National Angus & Brangus shows, Mexican National Angus show, Tullamore show in Ireland, U.S.A. Charolais and Highland national shows, U.S.A. Angus, Brahma, Charolais, Dexter, Hereford, Highland, Limousin, Lowlines and Simmental shows; Canadian Angus, Blonde D'Aquitaine, Charolais, Chianina, Dexter, Galloway, Gelbvieh, Polled Hereford, Horned Hereford, Limousin, Lowlines, Maine Anjou, Murray Grey, Pinzgauer, Salers, Simmental, Shorthorn, South Devon and Speckle Park National shows; as well as hundreds of provincial and regional cattle shows across Canada.

# LEE & DAWN WILSON

Matt Woolfolk was raised on a Hereford seedstock operation in West Tennessee and was active showing at the local, state, regional, and national level with the National Junior Hereford Association. He served as Chairman of the NJHA Board of Directors in 2011-12.

Matt earned a BS in Animal Science from Mississippi State University, as well as a Master's in Animal Breeding and Genetics from Texas A&M. After graduating, he spent two years working for Beefmaster Breeders United before taking the position of Director of Performance Programs at the American Shorthorn Association for four years. Currently, he still works with ASA while also operating his own data analytics company, MRW Cattle Resources, working directly with seedstock producers of multiple breeds. He was recently named one Cattle Business Weekly's Top Ten Industry Leaders Under 40.

# MATT WOOLFOLK

Matt and his wife Erika, son Lane and daughter Clara live in Adair, Iowa where they have a herd of Angus, Hereford, and commercial cows.

Dan Fawcett is the fourth generation on his family's ranch, Fawcett's Elm Creek Ranch located in Ree Heights, South Dakota. He and his wife Kyla and two kids Hollis and Ivy live on the family's ranch. Hollis and Ivy are active in junior breed associations and 4-H. Fawcett's calve around 1,200 head of registered Hereford and Angus, background 1,500-2,000 head, market 250 commercial Hereford heifers and AI'd Angus. They have an annual bull sale selling 100 bulls, and a fall female sale selling show heifers and donor prospects.

Fawcett's have been humbly successful in the show ring winning such shows as the National Western Stock Show, American Royal, Hereford Junior Nationals, Cattlemen's Congress, and numerous state and regional shows.

Dan has judged many shows over the years at the state, regional and national levels.

THE NSC ALL BREEDS SALE | SATURDAY DEC. 2, 2023 | 3 PM | AXIOTA ANIMAL HEALTH SALE ARENA

## CATTLE ENTHUSIASTS,

There's something for everyone in this year's North Star Classic Sale and we can't wait to showcase the quality these consigners brought to Valley City. Whether you're in the market for a maternal breeding piece or a competitive show steer prospect, the NSC Sale is the place to buy. Repeat and first-time consignors have brought an excellent set of stock to this year's sale.

Any heifer or steer bought in the sale on Saturday is eligible to participate in Showmanship on Saturday and in the Junior Show on Sunday. Please contact these breeders with any questions or if they can be of any assistance to you.

This daughter of H Montgomery offers as much natural power, performance, rib shape, and hip as you can find in one, yet while still being ultra feminine, great headed, and extremely sound. One of my favorite heifer calves we raised this year and continues to impress more and more as she matures. 17L's maternal sister was shown very successfully by Kaylee Erdmann in 2022, being named champion Hereford at the 2022 ND State fair, and Champion Hereford female in the open show here at North Star last winter to name of few. Bred off generations of superb maternal cow power, one that will no doubt be found in the show ring and then go on to make a foundation female. Bright future ahead for 17L.

A long sided, high performance, dark colored daughter of legendary sire Moonshine, who was in the Genex sire lineup! Dam is a great Spencer daughter with a 104 MPPA from our powerful Tiffany family - extra performance, great udder quality and very productive! A half brother was high seller in our Red Power Sale to Six Mile Ranch in Canada. Ultrasound on 7/27/2023 confirms her pregnant 60 days with a heifer calf by DK Top Pick J812. See her video at [www.olsonredpower.com](http://www.olsonredpower.com)

You'll experience spine-tingling sensations when you lay your eyes on this sleek, bald-headed female. Her mother was the proud producer of HCCO Countess 127C, an incredibly lucrative breeding that led to the \$77,000 ETR Pink female. This individual boasts a lineage filled with dollar signs and a rich history of earning those coveted purple banners. She's a female of exceptional elegance and balance, seamlessly melding a remarkable level of style and flair. Invest in her for a promising show career, and watch as she brings prosperity your way.

# NORTH STAR CLASSIC MEMORIES

# 2023 JOANA FRIESZ LIVESTOCK Honoree

**J**oana Friesz- A familiar name at the North Star Classic! Whether you've seen her putting on the North Dakota Hereford Sale, exhibiting her own livestock, or serving donuts and treats from the Hereford trailer, she's one you want on your team. Joana is an advocate for the North Star Classic as she sits on the livestock committee and is always willing to do what she can to ensure a successful event.

Joana's passion for the livestock industry far exceeds most. She is well known for Friesz Livestock's herd of Hereford Cattle and multiple breeds of the highest quality breeding sheep. Not only has she raised cattle and sheep, but has previously been successful on the swine and goat production side of animal agriculture as well.

Even though her boys have aged out of the junior show ring, she has still seen much success in several open shows across the country, including several Fleece champions. Joana proves that showing livestock isn't the only way to promote animal agriculture with Friesz Family Farm where she promotes wool products as well as homegrown lamb and beef.

What Joana is likely most known for is her willingness to serve at various levels of the agriculture community. She has served as an advisor for the North Dakota Junior Hereford Association, been a local 4H leader, been a Morton County Fair Board Member, a past president of the American Corriedale Association, a past vice president and board member of

the North Dakota Lamb and Wool Association and has mentored MANY youth that are wanting to get involved with a livestock project. Joana has been known to toss a few extra kids in for a national show to give them an experience they may not get anywhere else. She currently serves as the Secretary for the North Dakota Hereford Association and a member of the New Salem Almont Vo-ag Advisory Committee.

Thank you, Joana, for your dedication to the livestock industry not only at the North Star Classic but in the state of North Dakota. We are honored to award you as the 2023 North Star Classic Livestock Honoree.

## THANK YOU.

*The success of this event is due to a group of volunteers that dedicate the time to find judges, secure consignors, setup and tear down the facility, and guide staff. This group steps up to the plate to have the hard conversations and to help continue that North Star Classic tradition that we all have grown to love. We thank you for your commitment, each and every year.*

**QUANDT CATTLE COMPANY - Jason Quandt 701.710.0080 / Gabe Quandt 701.408.9154**  
SELLING PICK OF THE DONORS RIGHT TO FLUSH **D662 (ASA#: 3172442), B452 (ASA#: 2881285), OR B478 (ASA#: 2898323)**

We are pleased to offer the opportunity to purchase the right to flush from a pick of three of our top donors – D662(3172442), B452(2881285), and B478(2898323), who have long been the backbone of our herd.

D662 and B452 have each generated over **\$100,000** in sales of their offspring. D662, in particular, has an impressive track record, having raised 15 bulls that consistently commanded an average price of \$9,000. Her legacy extends to numerous daughters within our herd who exemplify her exceptional traits. At the North Dakota Simmental sale last year, two of her daughters were sold, averaging \$8,000.

B452 is a powerhouse when it comes to producing **STANDOUT HERD SIRES**, including notables like QB Blueprint, QBVJT Driftwood, QB Black Badger, QB Verdict, and QB Marvel. Her influence in the bull-raising category is undeniable.

B478, too, has proven to be a valuable contributor, most notably for raising GQ Conoco.

We are offering the opportunity to flush D662 starting April 1st, while B452 and B478 are available for flushing at any time. Delivery to Bovagen is an option, with buyers responsible for any associated costs.

With this flush, we guarantee 8 eggs. We have some exciting events on the horizon, including the pick of our bred heifers at the North Dakota State Sale on December 9th, and our annual production sale, which is held every third Tuesday in February. For those looking to enhance their breeding program with **EXCEPTIONAL GENETICS**, this is an opportunity you won't want to miss.

**QB MS J158** Daughter of TRAXS Miss Pend D662

**QB J16** Son of Rust Miss 452B

**QB BLUEPRINT D47** Son of Rust Miss 452B

**QB FIRST DRAFT** Son of TRAXS Miss Pend D662

**GQ CONOCO** Son of KRJ B478

# 2023 NORTH STAR CLASSIC HUBBARD FEEDS & SHOWRITE JUNIOR BREEDING HEIFER SHOW

**FEED THE NEED.**

*North Dakota Stockmen's Association*  
**BUILDING CAMPAIGN**

The North Dakota Stockmen's Association's headquarters is the home and command post of the 94-year-old organization. Members were proud to erect its current building in 1974, and it has served the organization well over nearly 50 years. Since then, the NDSA has grown in members and services and the Stockmen's Foundation was launched and functions out of this space.

The NDSA and NDSF are working together on a Building Campaign. The NDSA purchased a new lot in Bismarck in 2021. The organizations are building the new headquarters there. Ground was broken in April 2023, and the building is scheduled to be completed by the end of the year. Fundraising is still ongoing and we invite you to be a part of this historic project.

**Help us Honor the Past and Build for the Future!**

Tax-deductible giving options, including cash, cattle and commodities, are available for this project. Call (701) 223-2522 or visit [www.ndstockmen.org](http://www.ndstockmen.org) for more information.

# SALE **TERMS & CONDITIONS**

## **TERMS**

The terms of the sale are cash. Checks are accepted. Settlement must be made with the clerk immediately after the sale. No animal will be released until a paid receipt is shown to the sales manager.

## **DISPUTES**

All disputes as to bids and bidder shall be final and shall both consignor and purchaser to the announcement of sale and sale price.

## **LIABILITY**

Each animal will be the buyer's risk as soon as sold and settlement must be made at the completion of the sale. All persons attending these sales do so at their own risk. The Breed Associations, sales managers, directors, clerk, and North Star Classic Management assume no liability, legal or otherwise, for their safety or the behavior of the animals.

## **HEALTH**

All livestock will be accompanied by proper health certificates for immediate shipment.

## **REGISTRATION & TRANSFER**

All purebred livestock sell with registration certificate and will be transferred to new owner in accordance with the respective national breed associations.

Announcements from the auction box will take precedence over the printed matter in this catalog.

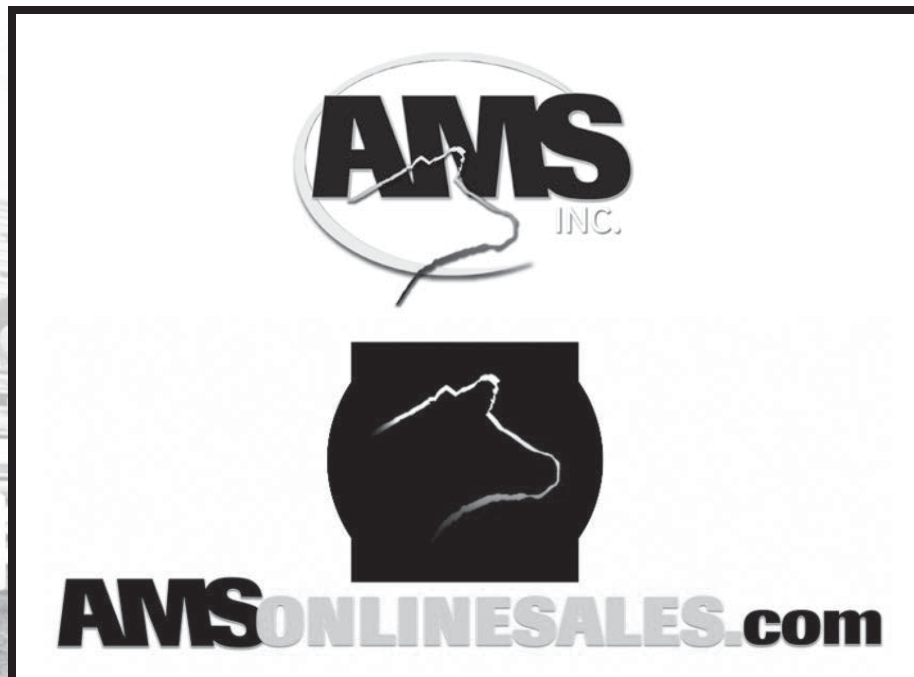

## **BREEDER GUARANTEE**

All animals sold are guaranteed breeders by the owner. Females in calf are considered breeders without further guarantee. All females sold are guaranteed to be breeders. Each owner accepts the responsibility of guarantee of his livestock at the time of their sale in the auction ring. All complaints regarding breeding difficulties must be reported in writing by the buyer within the time limit of the respective breed association and any animal returned must be free from disease and in good condition.

Additional terms and conditions will vary with the different breed associations. For additional information on this, please contact the respective association.

## **DISCLAIMER**

Special care has been taken to insure accuracy in the matter of pedigrees and information included in this catalog, but we are not to be responsible for any error which may be discovered prior to the sale will be announced at the time of sale.
